

Project: _____ Type: _____ Quantity: _____

The Calzada SQ is a modern square post rectangular head area light. Contemporary design adds essential safety and security. Superior lasting LED technology delivers reliable low maintenance lighting service. Extremely rugged construction provides a lifetime of service.

Engineered specifically for today's LED technology the Calzada SQ's design provides critical thermal transfer. Excellent heat removal ensures high performance and reliability of its LED light source. Other features include anti-wicking power lead and service upgrade capability.

The Calzada SQ is available in multiple finishes. Suitable for use in wet locations. Dimmable.

Specification

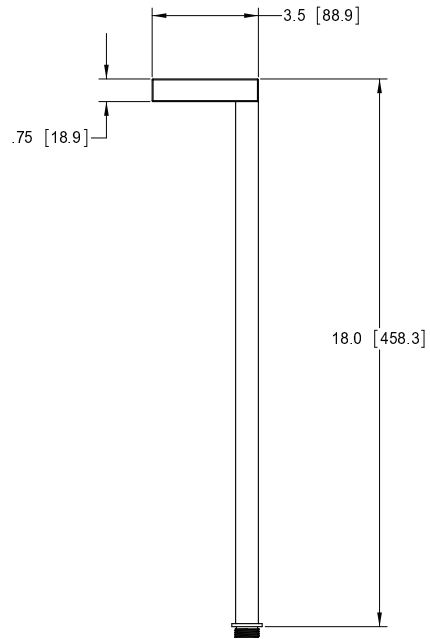

Light Source	Lighting Class LED *
LED Rated Life	50,000 hours average **
Input	7-13Vac
Power Consumption	2 Watts
Standard LED Color	2700K +/- 175 CCT Typical
CRI	80 Typical
Lens Cover	3/16 inch Frosted Glass
Cable Lead	3ft 18-2 AWG Direct Burial Rated
Standard Mounting	Square Post
Operating Temperature	-31F to 122F (-35C to 50C)
Thermal Management	Fixture is utilized as heat sink
Ingress Protection	IP66
Certification	

* IES LM-80 Standard ensures led light source will provide lumen maintenance and color performance.

** LED life is defined as the time to 70% lumen maintenance (L70)

Remote Low Voltage Transformer Required

Dimensions inches [mm]
